

Online Mapping System Subscription

The Ohio Historic Preservation Office Online Mapping System provides rapid access to Ohio's inventory records in digital format. The site allows users to query cultural data and produce maps. The subscription year is the state fiscal year, July 1 – June 30. Subscription fees will be pro-rated each quarter for those who subscribe after the beginning of the fiscal year.

Subscription Levels and Fees

Free Level

Basic access to the Online Mapping System is free with registration. This version of the site offers free UTM collection and map creation tools. A wide variety of tools will allow you to search and locate areas of interest, plot and label sites, create custom boundaries, save and email your work, and more. At this level, access to historic resource data is not available.
